### John Ward Creek Crossing Closed to Horseback Riders

Kennesaw, GA – Effective immediately, the John Ward Creek crossing just south of the Illinois Monument is closed to horseback riders until further notice. This closure stems from a safety concern due to hazardous conditions relating to an unstable streambed. The closure affects the creek crossing between Milepost 3.5 and Milepost 4 of the Kolb’s Farm East Trail.

Superintendent Patrick Gamman states, “We are concerned for the safety of all park users. Crossing John Ward Creek at this section of the trail poses a risk that we want to alert our horse community to, as it could potentially cause harm to both horse and rider. We will be working as quickly as possible to mitigate this problem.”

Please contact the park at 770-427-4686 or visit the park’s website at [www.nps.gov/kemo](http://www.nps.gov/kemo) for further information.

### Interpretive Programs for **March**

*\*All outdoor programs are weather- dependent.*

*\*Unless otherwise noted, all programs will be held at the Visitor Center*

**Museum Tours every Monday, Wednesday, and Friday @ 2:00 pm!**

#### **March 9th, @11 am – Cheatham Hill Walk**

On June 27<sup>th</sup>, 1864, nearly 9,000 Union soldiers made a historic charge into what they believed would be death or capture. Follow in the footsteps of these brave men as this easy ranger - guided tour explores the heaviest area of fighting during the battle.

*\*The hike will begin at the parking lot for the Illinois Monument, at the end of Cheatham Hill Drive.*

#### **March 10th, @11 am– Pickett Line Walk**

The Battle of Kennesaw Mountain was a large-scale offensive with many moving parts. One of the first actions of that day was a diversionary attack at the base of Kennesaw Mountain itself and part of the way up the slope. Join one of our rangers for a short walk along this line of battle as they detail the techniques, tactics, and aftermath of this fateful assault. This walk includes rolling, rocky terrain and is approximately 1.3 mile long.

#### **March 23<sup>rd</sup> Assault Trail Hike**

On June 27<sup>th</sup>, 1864, nearly 9,000 Union soldiers made a historic charge into what they believed would be death or capture. Follow in the footsteps of these brave men as this ranger - guided tour explores the heaviest area of fighting during the battle.

*\*The hike will begin at the Activity Area 3 parking lot and end at the Illinois Monument.*

#### **March 30th, @ 11 am – Mountaintop Hike**

This ranger - led hike will take you roughly 1 mile up to the peak of Big Kennesaw Mountain. Along the way, you'll learn about the flora and fauna of the area and the history that shapes us from pre-history, through Civil War and on to today. The hike is semi-strenuous so bring water and good shoes!

#### **March 31st, @ 11 am – Pigeon Hill Hike**

“And from the earth there sprang a host of men...” On June 27<sup>th</sup>, 1864, some of the heaviest and most desperate fighting of the American Civil War would take place on a spur in rural Georgia. This Ranger-led history hike will be moderately difficult, so bring good shoes and plenty of water.

*\*This program is not at the Visitor Center; parking is at Pigeon Hill at the intersection of Old Mountain Rd. and Burnt Hickory Rd.*

**\*\*\* For more program details, please contact Visitor Center at

# EARTHWORKS

## February 10, 2024 Work Day

We had 11 crew leaders for the workday. The Crew Leaders were Anna, Aron, Curt, Donald, Eric, Fred, Rich, Scott, Stewart, Tom, and Mike. We had a potential junior Crew Leader, Asshrith. We had 7 Ambassadors. The Trail Ambassadors were Debbie, Doug, Karen, Laurie, Rena, Shelly, and Yvette registering the volunteers and handling parking. We had 39 volunteers. They were from Allatoona High School JROTC (13), Hillgrove High School JROTC (8), Etowah High School Eagle Service Connection Club (8), individuals from Kennesaw State University (6), and the Atlanta Outdoor Club (5, I was part of this number). Fred took pictures and documented the event and Scott took buckets of crush and run to one of the groups, using his truck.

The forecast predicted that rain would occur about 1 pm. We did have a brief sprinkle as we were getting into our vehicles to leave.

We split into two groups:

The first group with Eric, Donald, and Rich consisted of the Atlanta Outdoor Club, Hillgrove High School JROTC, and individuals from Kennesaw State University started on the south side of the Hardage Mill Trail south of Noses Creek. Donald took a subgroup and debermed the trail as required. When they completed this they proceeded to help Eric, where they removed double stacked 4\*4's that hikers were walking around, smoothed out the mounds that had formed, and reused the double stacked 4\*4's to form new berms. See the pictures below. Meanwhile, Rich took another subgroup and worked on deberming along another part of the trail as needed.

Before looking at erosion on both sides of the steps. After we removed the old steps & created a berm.

The second group, with Aron, Tom, Curt, Anna, and Stewart with Allatoona High School JROTC and Etowah High School Eagle Service Connection Club worked on the erosion on the right-side Noses Creek Trail south of the Noses Creek Bridge. Part of this involved diverting water at the top of the hill and part required placing rock back in the swale and then filled with crush and run every 3 to 4 feet. They also

**Continued on Page 11**

**2/10/24 Work Day**  
**Continued from Page 10**

repaired three berms going across the Noses Creek Trail going toward Noses Creek Bridge. This was the larger group due to the amount of crush and run that had to be moved.

Before looking at erosion on the right side of the road. After, rocks placed every 3 to 4 feet.

I bounced between sites monitoring the progress with our Potential Junior Crew Leader.

The pre-workday was done on Friday, February 9, with Aron, Eric, Rich, Tom, and I reviewed the work plan and put out flags.

Our next workday is Saturday, March 9, 2024. We will be working on the Camp Brumby Trail starting at the Visitor Center.

Trails Director

## Trail Ambassadors Have A Great Time At The Park....

Ranger-led history hikes are a fun way to volunteer for any Trail Ambassador. The Ranger needs at least two sweepers for each scheduled hike. I learn something new almost every time I help with one of the hikes, and it is very interesting to chat with visitors from this area....or from somewhere around the country. It is also encouraging to find young people who are willing to find out what exactly happened here on this land that made it a National Battlefield! There are a variety of hikes to choose from: Mountain Top, Picket Line, 24-Gun or the Assault Trail.
