**Activities involving Community Volunteers:**

- Volunteer KSU - When school is in session, an average of 12 students sign up on their online system. Training on their software was provided by Lindsay Johnson, new Program Coordinator for Volunteerism in the Office of Volunteerism and Service Learning Support (VSLs).
- Signup - With 80 slots posted, the overall average was 57% filled over the last 2 years. Signup program has been extended to cover October 2017- October 2019. A new link for these Signup entries: <http://signup.com/go/VvavYQj> has been inserted into logo on KMTC website.
- Four (4) JROTC units at Hillgrove, Allatoona, Woodstock and Kennesaw Mountain High Schools are active and post Trail Work Days on their online calendars
- All of the above groups can be reached by email so that they can be informed of work site changes and when work days are cancelled.
